Free Practice SAT Exam

Join thousands of students across the country to take a full-length, practice SAT. Everyone who takes this test will receive a detailed score report outlining their strengths and weaknesses as well as a free private consultation to discuss those results. This is a great chance to see how you will do on the SAT without paying registration fees or sending scores to colleges.

Parent Information Session

While students take their exams, parents can attend an information session that features college admission and financial aid experts.

Space is limited -- to register, visit us online at PrincetonReview.com/events or call 303-939-9100.
